Letter No. 20. 413/48-49 dated
9/10-7-48 from the Economy Officer regarding
for particulars re: the Hindu Law Reforms
Committee, Board of Scientific & Industrial
Research and D. Allowances in G.R.S.

(1) The particulars required in
respect of the Hindu Law Reforms Committee
and the Board of Scientific and Industrial
Research are not available in this office
and the Economy Officer may perhaps be
asked to obtain these particulars from the
Secretaries concerned of those bodies.

Abolition of all duty allowances. etc.
referred to in the last para of the letter
of the Economy Officer.

In G.O. No. 1234 of 45-46-1
dated 20-9-46, the ^{amendment of the} several duty allowances
(excepting those given for specific extra work)
in G.R.S. were revised. The concerned
Commission has been put up ^{with} the representation
of Mr. V.O. Dye. The list already furnished
to the Economy Officer, will give the existing
D.As. in G.R.S. The duty allowances have
been given ^{either} for consideration of irregular &
confidential nature of work entrusted to the
officials or for extra work or for work even
after office hours. The abolition of the
duty allowances referred to by the Economy
Officer, though not feasible, yet ~~for consideration~~
perhaps require consideration. It
is agreeable to the grant of conveyance allowance
to P.As. and Typists required to attend

The suggestion of the Economy Officer do not consider the cases of officials who are entrusted with extra work, ~~as these are covered by the~~ ^{e.g.} vide st. 44 to 48 in the list and cases like that of the officials of the G.O. section who will have to stay on outside office hours. Working overtime has been a regular feature of late in the Secretariat. The proposed abolition of this allowance

will undoubtedly dampen the enthusiasm for work - especially overtime. Considering the present day soaring prices, it would

also cause undue hardship.

Since 1946 all the Secretaries to Government and Assistant Commissioners posted as Assistant Secretaries to Government and certain other non-civil Assistant Secretaries to Government are in receipt of duty allowance ranging from Rs.100/- to Rs.50/-. Whatever might have been the justification for the grant of duty allowance to these officers, I think that in view of the fact that expenditure on salaries and establishment come to over 6 crores as against a Revenue of Rs.10/- crores, it is time to discontinue the system of granting duty allowance to these officers.

Certain Assistant Secretaries to Government are in receipt of duty allowance on account of their being associated with the work of committees such as the Hindu Law Reforms, Capital Issues, The Board of Scientific and Industrial Research etc.,. Necessity for the continuance of duty allowance in such cases may have to be examined with reference to the volume of the work devolved upon them on the basis of number of sittings of such committee etc.,-

As regards the non-gazetted staff, the duty allowance sanctioned to all the officials (including the Superintendents of certain Branches of the Secretariat, Personal Assistants, Personal Clerks) should also be abolished, in view of the fact we have liberalised the scales of pay of all the -- non-gazetted staff and given them liberal weightage. I am not in favour of converting the duty allowance granted to personal Assistants to Ministers and personal clerks to

292/0

303-

Secretaries into one of conveyance allowance merely to circumvent the rule by a change in nomenclature.

The rule regarding the grant of deputation allowance to Government servants requires modification. The grant of deputation duty allowance should be restricted to only exceptional cases where the work is of a special nature requiring extra skill or ability or where the extra work is of an arduous nature. Even in such cases the maximum limit should in no case exceed 10% as against 20% at present. The present system of granting deputation allowance merely because an officer is transferred to the next office should be discontinued.

OFFICE OF THE

ECONOMY OFFICER IN MYSORE,

BANGALORE,

No. B.O. 413/48-49.

Encls.

Date 9th July 1948.

To

The Chief Secretary to Government,
Bangalore.

Sir,

Subject:-Allowances of different kinds drawn by officers in the General and Revenue Secretariat.

With reference to the statement of particulars on the above subject furnished with your letter No. 6159 dated 29th May 1948, I have the honour to request that further information may kindly furnished in regard to the following:

1. Allowances to an officer (Rs.50/-) and a clerk (Rs.15/-) for work in connection with the Hindu Law Reforms Committee - When was this Committee constituted and for what further period is it likely to function? How many meetings have been held during the past one year and on what dates? Is it necessary to continue these allowance at the present stage of work of the Committee?

2. Allowances to an officer (Rs.50/-) and a clerk (Rs.15/-) for work in connection with the Board of Scientific and Industrial Research. Is this Board actively functioning now? How many meetings of this Board were held during the last three years? Is it necessary to continue these allowances?

I would also be glad if you would please
What is your opinion in regard to abolishing all duty allowances except deputation allowance and conveyance allowances to be given e.g., to personal assistants or typists required to attend at the residences of Ministers or of Secretaries, the nature of whose work may require the attendance of these officials outside office hours?

I have the honour to be,
Sir,
Your most obedient servant,

B. nashavendra

ECONOMY OFFICER. 9.7

SR.2-9/7.

2824/c.B.

26.10.48.

To,

The Economy Officer Mysore

Sir,

with reference to your
letter no E.O. 413/48-49 dated
10th July 1948, inviting my views
on the possibility of economy
under allowances of different
kinds drawn by officers in the
Gen and Rev Secy, I am directed
to state that the ~~costs~~
of the services of the Secy and
the Staff (with the exception of
the Joint Dy. clerk) ~~have been~~
~~continued till the end of~~
~~Sep 1948 or till the~~ for work
in connection with the Hindu
Law Reforms Committee, have
been continued till the end
of Sep. 1948 or till the submission
of the Report by the Committee
whichever is earlier, the contin-
uance of the services of the 1st
Dy. clerk being ^{Sanctioned} till the end of
August 1948 only. This staff ^{is} will
~~not~~ ^{be proposed to} be continued further beyond
the dates referred to above.
~~and it will be disbanded from~~
~~that date.~~

The Board of Scientific &

and Industrial Research is still functioning and it is necessary to combine the allowances sanctioned to the ^{Secretary of the Board and the} staff attending to this item of work. This allowance is sanctioned to the staff for doing ^{the} work ^{which is not part of their normal work and has to be attended to} outside the normal working hours. As the appointment of a whole-time ^{staff} for attending to this item of work would result in ^{much higher} extra cost to Govt., this work was entrusted to staff and the sanctioned staff and allowances were granted ^{for} extra work ^{that} devolved on them. It is, therefore, not possible to discontinue the allowances sanctioned in this behalf.

As regards the allowances sanctioned to the ^{the} staff P. A. to Ministers and typists required to attend at the residence of Ministers or Secretaries, I am to ~~state~~ point out that this allowance was sanctioned to them in consideration of ^{the} arduous and confidential nature of work entrusted to them and for working overtime. The allowances were sanctioned after examining each case and in consultation with the Fin Dept. If it is considered ~~to~~ necessary to abolish these allowances the allowances sanctioned to

officers in other Departments
^{it}
~~this~~ will become a general
question and it may ~~be~~ ~~be~~
have to be examined separately,
on that basis

Yours faithfully
